Take off in style in Gatwick

The Beehive makes a truly unique base for businesses of all sizes. The Art Deco style has been well preserved with original features throughout the building, and transport connections to London and Gatwick airport are naturally excellent.

If you're getting a poor service from a workspace provider who cuts corners, we've got your back. Our highly trained team at Gatwick provides you with a reliable gold-standard service, while our inspiring offices and meeting rooms give you quiet space to get things done. By the way, we don't put our logo above the door – your brand comes first.

And the result? A productive environment that supports your company culture and creates happier teams.

Switch to Orega Gatwick and watch your success soar.
